

Love Theory

Kirk Franklin

Verse 1

How can it be
That you love the most unlovable part of me
Of me?
How could you see
Your life was the only gift I'll ever need to be free?

Bridge 1

It's amazing with you, I win even if I lose
Everything's working for my good for always

Chorus

He saved the day
He will come through
He won't bail
That's not what superheroes do
No greater love makes my heart leap
All I wanna do is make You proud of me

Post-chorus

I don't wanna love nobody but you
I don't wanna love nobody but you
I don't wanna love nobody, love nobody but you

Verse 2

How can it be
Everyone of my secrets that you keep
You cover me?
A mystery
Your patience with me, God, will never leave
Don't ever leave

Bridge 2

Help me to see like You
No matter what I go through
Everything's working for my good for always

Chorus

Post-chorus

Post-chorus

C-part

Loving You will be
Will be the death of me
That's how it's supposed to be
More of You, less of me
