

# I choose to be dancing

Donnie McClurkin

## Verse 1

Another year, another day  
But this is the life or so they say  
Another test, another tear,  
I don't want to stay here

## Bridge

T: Whatcha gonna do  
SA: Through the storm and through the rain  
T: Whatcha gonna do  
SA: When you've gotta start again  
T: Whatcha gonna do  
SA: When you gotta face the pain  
  
T: Yeah - SA: Yeah - T: yeah - SA: Yeah  
  
T: Whatcha gonna do  
SA: when your moment comes around  
T: Whatcha gonna do  
SA: When life seems to get you down  
T: Whatcha gonna do  
SA: Tell me what will you choose?

## Chorus

I choose to be dancing  
I choose to be singing  
I choose to be loving  
Every moment I'm living  
I don't mind the crying  
For life can be trying  
But when it's all said and done said and done  
I choose to be dancing

## Verse 2

A pretty girl, she can not walk  
She's in a chair, we sit and talk  
Her smile is bright, I feel ashamed  
No more complaining
